PRC can cover eligible copays, coinsurances, and deductibles for medically necessary care.
PRC cannot reimburse members directly.
PRC cannot pay for care provided outside of your primary insurance network.

If your insurance does not provide the following services, you may be eligible through PRC for medically necessary referral based services such as:

- Chiropractic Visits
- Acupuncture Visits
- Physical Therapy
- Massage Therapy
- Speech Therapy

Please contact the PRC Team for your benefit eligibility.

PRC does not cover the following items:

- Collection Fees
- No Show/Cancellation Fees
- Late fees or Interest Charges
- Services provided prior to PRC eligibility

Please remember budgets are funded yearly and amounts are subject to change due to funding.

PLEASE REMEMBER:

- PRC is required to have a renewal to determine service eligibility.
- Contact the PRC Team BEFORE seeing your provider with the date of your appointment, name of provider office, and type of appointment.
- After your request has been processed a purchase order will be generated which serves as your pre-authorization.
- All claims/bills must be submitted directly to the PRC team to maintain confidentiality and ensure claims processing.
