

TRIBAL COUNCIL ACT 5-1

AN ACT RELATING TO TRIBAL EMPLOYMENT RIGHTS

BE IT ENACTED BY THE SNOQUALMIE TRIBAL COUNCIL

SECTION 1.0 - CODIFICATION

This Chapter shall be known as the Snoqualmie Tribal Employment Rights Ordinance (“TERO”) and shall be codified as Title 5, Chapter 1 of the Snoqualmie Tribal Code.

SECTION 2.0 - STATUTORY AUTHORIZATION

Reserved.

SECTION 3.0 - PURPOSE AND SCOPE

A. Purpose

The Snoqualmie Tribal Council finds that employment discrimination against Indians persists on ancestral lands of the Snoqualmie people despite a large number of Indian and non-Indian owned businesses employing skilled and non-skilled workers. The Tribal Council further finds that jobs in businesses and other economic opportunities on traditional tribal lands and reservation lands are important resources to which Indians have unique preferential rights. Therefore, to implement the unique employment rights of Indians, the Snoqualmie Tribal Council establishes a Tribal Employment Rights Commission and TERO Program to achieve its goals and policies towards exercising the unique employment rights of Indians.

B. Scope

The Snoqualmie Tribal Council authorizes the appointed TERO Manager to impose up to 100% Indian hiring goals and timetables specifying the number of Indians the employer shall hire by craft and skill level. The purpose is:

1. To declare Tribal laws and rules for governing preference in employment, contracting, subcontracting and business opportunities within Tribal jurisdiction.
2. To assist with compliance under this Act and enforce the laws governing Indian employment preference and contracting preference.
3. To disseminate information regarding unlawful employment discrimination by state, county, city, and private Employers subject to Title VII of the Civil Rights Act of 1964 who are operating on the Snoqualmie Indian Reservation.
4. It is of crucial importance to create employment and training opportunities for Tribal Members and for other Indians, and to eliminate employment discrimination against Indian people. An integral part of attaining this goal is constituted by the structuring of

employment and training opportunities to provide for the hiring of Indians who are qualified and for the training of Indians in those areas in which there is not a sufficient number of qualified Indians to meet the employment opportunities.

C. Notification

The TERO Office shall make good faith efforts to educate all Employees, Employers, contractors, and the public on TERO and employment, hiring, and preference laws. All contracting agencies and entities are required to notify subcontractors of their obligations under this Act. Failure to receive notification or ignorance of the law is not a defense in any enforcement action under this Act.

D. Authority

The Snoqualmie Indian Tribe enacts this Act in accordance with the authority granted to it by the Snoqualmie Indian Tribe Constitution and its inherent sovereign power.

E. Applicability

1. **This** Act does not apply to any direct employment by the Snoqualmie Tribal Government, Snoqualmie Casino, or any Snoqualmie Tribal LLC.
2. **Un**less clearly and expressly prohibited by federal law or Tribal law, this Act applies to all other “Employers,” as defined under this Act, that are engaged in work on the Reservation.
3. All persons, entities, agencies, contractors, and businesses under the jurisdiction of this Act shall comply with all applicable Tribal law and policies, except as provided in this Act.

SECTION 4.0 – EFFECTIVE DATE

This Act shall not be in effect before the Tribe’s TERO Office is fully operational and the Hiring Hall has been established and is operational. Once the TERO Office is operational, the TERO Commission shall submit the relevant rules, regulations, and/or guidelines necessary to carry out the provisions of this Act to the Tribal Council for ratification. However, the Employer may not employ a non-Indian until the Employer has given the TERO Office 72 hours to locate and refer a qualified local or non-local Indian, except where the TERO Office has, in advance, deemed a position “urgent” to fill due to high turnover or other similar factors, in which case the 72-hour time period will not apply.

L. Job Qualifications, Personnel Requirements, and Religious Accommodations:

An Employer may not use any job qualification criteria or personnel requirements which serve as barriers to the employment of Indians which are not required by business necessity. If the employer fails to meet his burden, it will be required to eliminate the criterion or personnel requirements at issue. Employers shall also make reasonable accommodation for the religious beliefs and cultural traditions of Indian workers. In implementing these requirements, the Commission shall be guided

by the principles established by the EEOC Guidelines, particularly 29 CFR Parts 1604-1607, as amended. However, the Commission reserves the right to go outside the scope of the EEOC principles to address employment barriers that are unique to Indians.

1. The Commission shall have the ability to negotiate its own numerical hiring goals and timetables and incorporate such goals and timetables into the Compliance Plan.
2. The Tribe and its enterprises are not required to advertise positions before advertising publicly but may do so concurrently so long as the minimum time periods set forth in this Act are met. The Tribe and its enterprises shall not be required to hire a TERO Worker who has been convicted of violent or financial crimes or who has a history of sexual or other harassment, as provided by the requirements of the Tribe's or the enterprise's personnel policies.
3. Snoqualmie Tribal enterprises that require immediate temporary employees shall contact the Hiring Hall to determine if workers who meet the Minimum Threshold are available. If no such TERO Workers are immediately available, then the enterprise may

hire from another source.

4. The process for resolving complaints concerning the Tribe and its enterprises shall be described in the Compliance Plan(s) for those enterprises and shall include an alternative dispute process. Complainants must follow the procedures as set forth in the Compliance Plan(s).
5. The Tribe and its enterprises are exempt from paying the TERO tax.

B. Permanent and Key Employees:

1. Prior to commencing work on the Reservation, an Employer shall identify “Key Employees” and “Core Crew.”
2. A Key Employee is one who is in a top supervisory position or performs a critical function such that an Employer would risk likely financial damage or loss if that task were assigned to a person unknown to the Employer. An Employee who is hired on a project-by-project basis may be considered a key Employee so long as they are in a top supervisory position or perform a critical function. Key employees may be employed on the project whether or not they are Indians.

 A Core Crew member is one who is and has been on the Employer’s annual payroll for a period of one year continuously in a supervisory capacity or is an owner of the firm. An Employee who is hired on a project-by-project basis shall not be considered Core Crew. The fact that an employee had worked for the Employer on previous projects shall not on its own qualify that employee as Core Crew; however, exceptions for superintendents and other key personnel who are not core crew may be granted by the TERO Manager on a case-by-case basis. Up to three Core Crew members may be identified for a project and need not be Indian.

4. The TERO Office will review Core Crew and Key Employees on a case-by-case basis to ensure no actions were taken to circumvent the requirements of this section. Any Employer filling vacant employment positions in its organization immediately prior to undertaking work pursuant to a contract to take place on the Reservation shall set forth evidence acceptable to the TERO Manager that its actions were not intended to circumvent the requirements of this Act.

C. Emergency Hire Provision:

1. In rare circumstances where an employee is needed to fill a vacancy during off business hours when the TERO Office is unavailable, the Employer is permitted to hire employees as necessary to meet the emergency need for a maximum of three days or until the TERO Office can be notified of the circumstances and can approve the individuals or dispatch other TERO Workers.
2. Emergency hires will be limited by the TERO Manager and will be allowed on a case-by-case basis. Any abuse concerning this provision will result in sanctions as provided in this Act.

SECTION 9.0 - TERO TAXES

The TERO Manager shall assess on Employers a TERO tax to provide revenue for operation of the TERO Program as follows:

A. Taxes:

With respect to each project/contract or subcontract of \$25,000 USD or more otherwise subject to the provisions of this Act, the Employer shall pay a one-time tax of 2% of the total project/contract costs, including but not limited to equipment, labor, materials and operations and any increase of the contract, project, or subcontract amount. If the Employer initially enters into a contract, project, or subcontract of less than \$25,000 USD but subsequently increases costs resulting in the total contract, project or subcontract equaling or exceeding \$25,000 USD, the tax shall apply to the total amount including increases. The prime contractor is principally responsible for payment of the tax as the Employer.

B. TERO Tax Payment:

1. The TERO tax provided for in this Act shall be paid by the Employer prior to commencing work on the Reservation. However, where good cause is shown, the TERO Manager may authorize the Employer to pay the tax in installments over the course of the contract.
2. The checks shall be made payable to “Snoqualmie Tribe/TERO Program” and addressed to:

Finance Department Supervisor
The Snoqualmie Tribe
P.O. Box 969
Snoqualmie, Washington 98065

C. Delinquent Fees:

Except as otherwise provided here in Section 8, if an Employer fails to pay the tax by the day it begins work, interest shall begin accruing on that date at a rate of 10% per annum, compounded daily. Further, as soon as possible following the day on which the Employer commences work, the

TERO Manager shall send notice to the Employer by certified mail, informing the Employer that the payment is overdue and of the consequences that will result if the fee is not paid immediately.

D. Non-Payment of Taxes:

1. If the tax is not paid by the fifteenth day after the Employer commences work, the TERO Manager shall file a formal charge of non-compliance and shall schedule a Commission hearing to be held within five days or as soon thereafter as the Commission can meet and shall provide formal notice to the Employer of the scheduled hearing.
2. At the hearing, to be held regardless of the Employer's attendance, the Commission shall determine whether the Employer has failed to comply. If the Commission finds there has been non-compliance, it shall:
