Snoqualmie Indian Tribe

Child Care and Development Fund

Flood Recovery Mini Grant
Winter 2025

The Snoqualmie Indian Tribe recognizes the significant impact that recent flooding across Washington has had on childcare providers serving tribal children. To help ensure that essential childcare services can reopen quickly and safely, the Tribe is offering a CCDF Flood Recovery Mini Grants to support facility repairs, recovery efforts, and staffing needs directly related to flood damage.

Eligible childcare facilities may apply for funding in an amount of **$5,000** to assist with costs necessary to restore operations and continue providing quality care to our Tribal children and families.

To receive funds before the holidays, completed applications must be submitted by the end of the day on **Tuesday, December 16th.** Applications received after that date will continue to be accepted through the New Year; however, funds for those applications will not be distributed until January 9th.

Childcare/Center name/ License # *And business name if different*	
Director *First, last name*	
Number of Staff	#Full Time: #Part-time:
