The Snoqualmie Tribal Council wishes to ensure that no tribal household in the community will be without basic fundamental necessities of life. The General Welfare Policy ("Policy") will not completely fund all members' financial and other needs, but is designed to lessen the burden of living expenses in their everyday lives. It is the intent of the Tribal Council that the Policy be funded from the Tribe's general fund, which will not be subject to state or federal taxation and will not reduce fixed income or other benefits of the recipients.
